When taking up any new sporting activity where friction occurs, some bruising may result. This is possible and likely especially at the beginning when learning pole or Aerial Fitness.

Pole and Aerial is a fantastic all over body workout; however, most people find that it takes a couple of weeks for your body to adapt to supporting weight on parts of your body where you wouldn't normally support weight, for example, the back of your knees, or the inside of your thighs.

I understand that I will receive physical assists or adjustments to enhance or correct my body posture during class by either the teacher or an assistant in class. I will take accountability for alerting the teacher and assistant of any injury or impairment in advance before class begins.

I am aware of the possibility of bruising or injury due to the nature of Aerial Sports and pole fitness.

We advise you to consult a medical practitioner before engaging in any physical activity.

I do not have any reason to believe that I have any medical conditions which makes any of the Aerial Sports or Pole Fitness an unsuitable activity for me.

I understand that if injuries do occur, it is my responsibility and not the responsibility of Pegasus pole fitness or my instructor. I will not hold either party responsible.

I agree to listen to and abide by the instructions issued by my instructor at all times

I agree not to invert without the supervision and permission of my instructor and before I have learnt spotting and dismount techniques.

I understand that whilst every effort is taken to ensure my safety during the lessons, I am taking part in a sport and like any other there is always a possibility of getting hurt.

All measures are being taken to prevent spread of any disease or virus by rigorous cleaning and sanitisation, however there is an inherent risk of exposure to COVID-19 when in any public space where people are present. I understand this and do not hold WILD Pole Dance responsible. I will not

attend the studio if I am feeling unwell or display any symptoms of COVID-19, or have been in recent contact with anyone displaying these symptoms and will advise my instructor as soon as possible if symptoms are discovered within the following week of a lesson.

I have read and understood the terms and conditions.
